LIST OF AWARDS RECEIVED**

<b>Year</b>	<b>Award Received</b>	<b>Awarding Agency</b>	<b>PSD Facility</b>	<b>Award Information</b>
2001	Environmental Achievement Award	US Environmental Protection Agency		Awarded for superior leadership and commitment to energy conservation, environmental performance, and responsible use of tax dollars
2001	Waste Saver Award	North Front Range Solid Waste Action Group		Awarded for excellence and dedication towards waste reduction
2001	Recognition Award	Colorado Renewable Energy Society	Zach Elementary School	Awarded for exemplary use of renewable energy and sustainable construction using recycled materials, efficient heating and cooling equipment, high levels of insulation, and use of daylighting
2002	Design Merit Award	American Institute of Architects Colorado North Chapter	Zach Elementary School	Awarded for design excellence
2002	Certificate of Environmental Leadership	Colorado Environmental Leadership Program		Awarded for demonstrating environmental leadership through voluntary pollution prevention measures
2002	Excellent Use of Renewable Energy in Buildings	Colorado Renewable Energy Society	Operations Building	Awarded in recognition of development of sustainable building, specifically for exemplary use of renewable energy and sustainable construction using recycled materials, efficient heating and cooling equipment, high levels of insulation, and use of daylighting
2002	Citation Award	Council of Educational Facility Planners International	Zach Elementary School	Awarded for facility design
2003	Citation Award	American Association of School Administrators/American Institute of Architects/Council of Educational Facility Planners International	Zach Elementary School	Awarded for facility design
2003	Sustainable Design Award	American Society of Interior Designers	Zach Elementary School	First place in sustainable design for creating interiors that are healthier for people and productivity, using less fossil fuels and water, managing waste, minimizing use of materials, and using materials with the lowest environmental impacts
2003	National Energy Star Award for Leadership in Energy Management	US Environmental Protection Agency		Awarded for improved energy performance and environmental protection, while communicating the importance of energy efficiency to a wider audience
2003	Environmental Stewardship Award	Larimer County Commissioners Environmental Advisory Board	Zach Elementary School; Bacon Elementary School	Awarded for exemplary use of renewable energy and sustainable construction
2004	Colorado Pollution Prevention Champion	State of Colorado		Awarded for implementation of a variety of pollution prevention technologies that benefit the environment, creating an environmental management system, identifying environmental improvement goals, completing community outreach efforts, and completing an audit of environmental programs

**PSD OPERATIONS  
LIST OF AWARDS RECEIVED**

2004	Wirth Award	The Wirth Chair in Environmental and Community Development at the Graduate School of Public Affairs, University of Colorado at Denver	Bacon Elementary School	Awarded to Bacon Elementary students for outstanding sustainable efforts
2005	Monarch Award	Council of Educational Facility Planners International/Southwest Region	Fossil Ridge High School	Awarded for creating, delivering, and maintaining excellence in school facilities planning, thereby meeting the requirements of the educational process with special emphasis on functionality of educational spaces
2005	LEED-NC v2 Silver Certification	US Green Building Council	Fossil Ridge High School	Awarded for successfully meeting the sustainable building design and performance standards under the Leadership in Energy and Environmental Design (LEED) Green Building Rating System
2005	Friend of Preservation Honor Award	City of Fort Collins	Centennial High School	Awarded for Centennial High School addition and remodel
2005	Merit Award	American Council of Engineering Companies of Colorado	Fossil Ridge High School	Awarded for Fossil Ridge High School HVAC system
2005	Renewable Energy in Buildings Award	Colorado Renewable Energy Society	Fossil Ridge High School	Awarded for sustainable design in buildings and recognition of creative adoption of renewable energy into new buildings, resulting in one of the most outstanding examples of energy-efficient design and functional architecture in Colorado
2006	Monarch Award	Council of Educational Facility Planners International/Southwest Region	Centennial High School	Awarded for Centennial High School addition and remodel, specifically for the rehabilitation of the original building and construction of additions exemplifying innovative planning on one of the oldest school buildings in Fort Collins
2006	James D. MacConnell International Award	Council of Educational Facility Planners	Fossil Ridge High School	Awarded for outstanding, comprehensive planning process, resulting in an educational facility serving the needs of students, staff, and the community, and facilitating student achievement, while emphasizing the connection between the planning process and the end result - a healthy, high-performing school facility
2006	Walter Taylor Award	American Association of School Administrators/American Institute of Architects/Council of Educational Facility Planners International	Fossil Ridge High School	Awarded for a difficult project meeting a specific design challenge and a project exemplifying how well-designed schools promote student growth and achievement
2006	Antron Sustainable Flooring Performance Award Merit Winner	Antron Sustainable Flooring	Beattie Elementary School	Awarded for sustainable interior design practices through the use of performance-driven flooring in commercial carpet applications
2006	Partner for a Decade Award	Northern Colorado Clean Cities	Transportation Services	Awarded for a decade of commitment (1996-2006) to environmental issues
2006	Fort Collins Urban Design Award for Green Design	City of Fort Collins	Kinard Jr. High School	Awarded for exceptional design, attributes, and contribution to the fabric of Fort Collins
2006	Peak Design Award	Council of Educational Facility Planners International/Rocky Mountain Chapter	Kinard Jr. High School	Awarded by local chapter for design excellence
