

BEATTIE NEWSLETTER SUPPLEMENT

TOO EARLY TO THINK ABOUT SCHOOL SUPPLIES FOR NEXT YEAR? **NOT REALLY!**

Beattie has teamed up with Staples to offer school supply kits that will be delivered right to your child's classroom at the start of the school year. The online ordering site will be live soon, the final details are being uploaded over the weekend. Starting next week check out the link - shoptkits.com and use Beattie's school code of **83099** to order the school supplies kit you child needs for next school year. There is no obligation to use this site, it's simply made available for convenience sake - some enjoy packing up the kids and visiting the big box stores to hunt for deals on supplies, other don't. All kits include some bonus items including 40 personalized ID labels. The site will be open until June 3rd. If you would prefer to order via the paper form and pay by check please contact Char Aloisio, BAT Co-Chair directly at charaloisio@gmail.com or 612-802-1360 by June 1st for details.
