

Blevins 5th Annual Science & Engineering Fair

Congratulations to the 128 students who participated in the Blevins 2007 Science & Engineering Fair. This is the 5th year Blevins has sponsored this fair and the projects just keep getting better! Ten 1st place awards were given for both the junior and senior division. Ten 2nd place awards were also given to each division. Both first and second place winners will be invited to the Longs Peak Science and Engineering Fair to be held at the University of Northern Colorado on March 10, 2008.

Junior Division 1st Place Winners
