Educational Excellence in a Kind, Loving Environment

December 8, 2011

Dear Eyestone Parents,

After a few days in the deep freeze, we are back to outside recesses to the delight of just about everyone. Thanks so much for ensuring that your children are coming prepared for the elements, especially on those super-cold days! As you move into full holiday mode with your families, the following notes will apply:

All-School Music Program

I hope that you will be able to join us next Friday, December 16 for our all-school music program, "**Rockin' Holiday**"! The kids have been practicing up a storm, and are ready to do an awesome job for you!

The program will be held at the Poudre High School auditorium, and will start at 6:30 PM. Students will need to arrive by 5:45 PM. Upon entering through the main doors, you will find signs and greeters directing you to one of five holding rooms that we have reserved. You can drop your children off at the designated room(s) and then find a seat in the auditorium. At the conclusion of the program, you may then pick your children up at the same holding rooms.

We have been informed that Poudre is also hosting a basketball tournament during that week, and that games will be going on that evening as part of the tournament. While many tournament attendees park toward the south and west sides of the lot (near the gym), some will park in a dispersed manner throughout the lot. It may pay to arrive a bit earlier than you might normally in order to provide adequate time to access the lot, find a slot, and walk to the building.

Thanksgiving Dinner

A wonderful time was had by all at our annual Thanksgiving Dinner in November. We served just under 700 hot lunches that day! It was great to see all who were able to attend. I hope that your personal holiday break was just as satisfying!

See you next Friday night!
