Parents,

The Poudre School District is currently working on the boundaries for the elementary schools. The Steering Committee has been reviewing various scenarios and narrowing down the options. Their proposed recommendations will be made available for viewing and comments on March 1 and 3, 5:00-7:00pm at Rocky Mountain High School.

For the Mountain Schools we need representation on this committee. If you would like to be a part of this committee, please return the slip below stating your interest. It is my goal to have one parent representative from each school.

Thank you for your consideration,

Patrick Kind
