Dear Parents and Guardians:

January 14, 2010

We would like you to know about our kindergarten orientation being held at Werner on January 27 at 6:00 p.m. in our media center. This meeting is for parents only. Kindergarten registration will take place at Werner on February 11 from 7:00 a.m. until 6:00 p.m.

We will conduct a lottery for Full Day Kindergarten if we have more applicants than space available, therefore, there is no need to arrive for registration before 7:00 a.m. You will need to register on February 11 to be eligible for the Full Day lottery. Since all classrooms need to be evenly balanced, the lottery system works well and we will no longer use the first come, first served system. The lottery will be conducted on February 18 at 10:00 a.m. in the Werner Media Center. If your child is selected you will be notified by February 22, 2010.

The total cost for the Full Day program is \$2100. A \$210 deposit is required on February 11 to reserve your spot. If your child is not selected for full day kindergarten, we will return your deposit and put your child on a wait list. Payments begin with the deposit as the first installment. Monthly payments begin August 2010 and proceed through April 2011. If you are interested in automatic payments deductions, forms are available in the office. Otherwise, you will receive a payment book from the district during the summer.

Your child must be five years old on or before September 15. Please bring a copy of your child's birth certificate and immunization record to registration. You must also bring proof of residency when you register your child. Proof of residency includes a current phone bill, current public utilities bill, mortgage statement, or lease/rental agreement.

If you do not live in the Werner attendance area, you must apply for school of choice online through the Poudre School District website at www.psdschools.org under "School Registration", which may be accessed from a home computer or any computer with Internet access; a public use computer is available at Werner Elementary. Parents must register students entering kindergarten in the fall of 2010 at their neighborhood school on February 11, even if an application is pending for choice/open enrollment.

The hours for full day kindergarten are 9:00 - 3:33. If your child lives in a neighborhood that has bus service, transportation is provided in the morning and afternoon. Morning kindergarten is 9:00 - 11:50. Transportation for morning kindergarten is only available prior to school in the morning. Afternoon kindergarten is 12:50 - 3:33. Transportation for afternoon kindergarten is only available after school in the afternoon.

If you know of anyone with a new kindergarten child, we would appreciate it if you would pass this information along.

We look forward to seeing your child as a Werner Wildcat next year.

Sincerely,

Hayden Camp
Principal
