Werner Elementary School

Werner Elementary

**PTA**<sup>®</sup>

*everychild.one voice.*

The Werner PTA and the Earth Day Committee are sponsoring The Recycle Caps With Aveda Program. We are proud to have Werner Elementary participating in the protection of our environment and supporting recycling efforts in our community.

Please read the attached letter that explains about the Recycle Caps With Aveda Program. Also, look at the Cap Collection Guide on the back to find out which caps can be recycled.

We can all have an impact by making a positive change. Let's join together in our commitment to take care of our environment.

The Werner PTA, the Earth Day Committee, and the Environment thanks you!
